

## NEW-Group Program

### Dynamic Delivery™ : Giving Effective & Powerful

This interactive FWI program will provide you with the practice and feedback opportunities to hone and enhance your stand-up presentation and speaking skills. Whether new to the world of speaking and presenting at meetings and functions, or a well-traveled veteran in the field of public speaking, this program is a valuable chance to see yourself “in action” through videotaping and receiving targeted feedback.

During this one-day program, you will find tips that public speakers use to overcome their biggest fears, and behaviors that will address the most critical factors in a speaker’s success – establishing dynamic personal presence and credibility.

#### YOU WILL LEARN HOW TO...

- Assess and evaluate your current speaking and presentation skills
- Identify and apply techniques for taming the nervousness gremlins
- Control the elements that create great public speakers such as: dynamic personal presence, voice quality, body language, movement, and energy
- Set the stage with openings & introductions that have impact
- Apply constructive feedback to enhance your presentations

#### How to get started ...
