Professional Fitness™ Leadership Development Series

Delivering High Quality Results

As the baby boomers retire and leaders become scarce, women who have developed essential leadership competencies will be in demand to fill the leadership gap.

One of the core competencies identified in *The Leadership Gap Study* is delivering high quality results. This program will help you increase your skills and give you confidence relative to this leadership competency.

Delivering quality results is the commitment to produce high quality work (research, procedures, services, products) consistently over time.

PARTICIPANTS WILL LEARN HOW TO ...

- Demonstrate a consistent commitment to quality
- Work hard to satisfy customer requirements
- Set high standards for their own work performance
- Look for ways to improve the quality of their work efforts
- Perform work that exceeds expectations

How to get started ...

- Groups and Districts can register by downloading Foundation registration forms found on our website at www.fwifoundation.org
- Purchase participant kits at \$9.95 per participant, which include: participant workbooks, Leader's Guide, PowerPoint Presentation, and handouts.
